

# Vision, Mission & Core Values

## VISION

The best Department in Scholarly Excellence and Patients care

## MISSION

To be a leading Department for the Creation, Preservation, Integration, Transmission and Utilizations of knowledge in training and the Provision of Dental care to the Kenyan people and other communities.

## CORE VALUES

- Quality dental care
- Team work
- Professionalism
- Protection of environment
- Innovation

## QUALITY OBJECTIVES

- 1 To ensure teaching commences on the first week and continuous assessment tests (CATs) are done as outlined in the lecture schedule.
- 2 To analyze class attendance data quarterly and inform students of their attendance record.
- 3 To ensure that teaching timetable is circulated two (2) weeks before the semester commences.
- 4 To ensure examination timetable is circulated two (2) weeks before the examinations commences.
- 5 To ensure that duly marked examination scripts are submitted within two (2) weeks from the date of last examination.
- 6 To ensure that the Board of Examiners meeting is held within two (2) weeks after the last examination and the results released within two (2) weeks.
- 7 To conduct course/lecturer evaluation within the fourth quarter of the academic year.
- 8 To respond to every customer feedback within two (2) weeks of opening the suggestion boxes.
